

Asset Management Analyst Trainee

Private Equity Asset Management

LOCATION: BOSTON and LOS ANGELES

AEW currently has exciting opportunities available in our Analyst Trainee Program (ATP) starting in Summer 2027!

This is a 12-month, hands-on trainee program offering participants the opportunity to learn about different areas of the business, participate day-to-day in assigned responsibilities and projects and develop professional relationships, while also receiving training and mentorship from the AEW Team.

What You Can Expect

- Career Development and Networking
- On the Job Training
- Mentorship

Main Purpose of the Role

The following are the main responsibilities for the Asset Management Analyst Trainee.

Responsibilities

- Supports Asset Manager in Private Equity Group on assets through cash flow modeling, competitive analysis, research analysis and annual business plan/budgets.
- Work with team members on assigned portfolio of assets comprised of more than one product type in various geographies working for multiple asset managers providing well rounded exposure to assets across the risk spectrum.
- Assist in providing day-to-day oversight of property operations and coordination with the third-party operators and joint venture partners.
- Participate in the preparation and execution of Portfolio and Property Business Plans to optimize investment performance, prepare hold/sell analysis and maximize investment returns.
- Participate in property-level decisions with the Portfolio Managers based on careful analysis and team input, including hold/sell, leasing strategy, rent pricing, property budgets, and capital expenditures.
- Assist property dispositions and refinancing opportunities alongside joint venture partners and AEW team members and third-party legal counsel.
- Assist acquisitions team in due diligence and effectively onboard new acquisitions.
- Perform asset-level valuation reviews including property performance and capital deployment effectiveness as assigned.
- Develop excellent working relationships with all team members including JV partners, property managers, project managers, and third parties.
- Participate in review of loan and lease documents, lease abstracts, operating and vendor agreements.
- Prepare financial models, property reporting packages as well as quarterly and annual internal and external reports for the portfolio.
- Communicate investment status and plan to senior management.
- Visit markets and properties to validate business plan assumptions, monitor property operations, and identify opportunities and issues to improve operations.
- Share accountability for budgeted results and support the budget versus actual analysis.

AEW Capital Management is an affirmative action-equal opportunity employer.

AEW CAREER OPPORTUNITY

- Stay informed on market information and work with AEW's Research team to stay abreast of their viewpoint and recommendations for each market.

Skills/Experience

- BS/BA and a strong academic record with emphasis in any of the following: real estate, finance, accounting, economics, and/or policy & planning preferred.
- Prior internship or other real estate related experience preferred.
- Strong analytical skills and attention to detail.
- Knowledge of accounting and finance principles.
- Strong oral and written communication skills.
- Proficiency with Microsoft Office applications (Excel, PowerPoint, Word) required.
- Exposure to financial modeling with Excel and Argus as well as general quantitative skills preferred.

Training and Professional Development

Prior to joining their business unit, analysts participate in a comprehensive summer training program designed to develop the technical and industry skills needed for success in commercial real estate. Training includes Excel and ARGUS modeling, data analytics, debt and capital markets, real estate industry fundamentals and resources, and AEW-specific systems and processes. Analysts apply these skills through a capstone case study presentation at the end of the summer. Professional development continues throughout the year through additional training programs, lunch-and-learn sessions, networking events, and mentorship opportunities.

Compensation

At AEW, your base pay is one part of your total compensation package. The base pay for this role is between \$70,000 and \$75,000 per year. Your actual base pay will depend on your skills, qualifications, experience, internal equity, and market conditions. Additional compensation and perks include:

- Eligibility for health insurance plans (medical, dental, vision)
- 401K plan with match and employer funded retirement account
- Employee Assistance Program
- Tuition relief
- Parental leave
- Flexible time off
- Matching gift and volunteer programs

Please Note:

We encourage candidates to use AI thoughtfully - as a tool to refine their work, not replace their voice - and we use AI responsibly in our hiring process to support fair, human-led decisions.

AEW is unable to consider candidates for employment who currently need, or will need, sponsorship to be employed in the United States.

How to Apply

To apply for this position, please visit the [AEW Career Center](#) and submit your application and resume **no later than October 16, 2026**.

Qualified candidates should be available for interviews in late October to mid-November 2026 and decisions will be communicated in December-early January.

AEW Capital Management is an affirmative action-equal opportunity employer.
